## M.S. PROGRAM OF STUDY

(CS-03)

Name:		PID:	
the S sem http	ructions: This form details an individual program of Student Services Manager when the program is sulpester, but NO LATER THAN the date of Grad Schos://gradschool.unc.edu/academics/resources/gruary for Spring- so that the department can determine Date Submitted:	bstantially pla nool applicat graddeadline	anned ( <b>typically after two</b> t <b>ion to graduate</b> <b>es.html)</b> , typically October for Fall or

## I. Course Requirement

- Thirty (30) semester hours of courses numbered 400 or higher must be taken (excluding COMP 495, 496, 691H, 692H). Of these 30 hours, at least 18 hours must be in Computer Science (designated COMP in the catalog) numbered 400-890, and the remaining 12 hours must include COMP 993: Master's Thesis Research or COMP 992: MS Non-Thesis Option

Residence credit- minimum number of required semesters of UNC-Chapel Hill registration, 9 or more credit hours earn a full semester of residence, 6 to 8.9 credit hours earn three-fourths semester of residence, 3 to 5.9 credit hours earn one-half semester of residence. 0 to 2.9 credit hours earn one-fourth semester of residence. https://handbook.unc.edu/residencecredit.html

The student's mastery of content will be determined by the course grade in the set of three courses: a P- or better must be obtained in each course, and a Calingaert score of -3 or higher must be obtained on the three courses combined. https://cs.unc.edu/academics/graduate/ms-requirements/

Transfer of credit- Up to 6 semester hours of graduate credit may be transferred from another accredited institution, or from courses taken at UNC-CH before admission to the Graduate School, https://gradschool.unc.edu/pdf/wtrnform.pdf Please submit this form along with the CS-03.

- Minimum 3 hours of COMP 992 or COMP 993 (formal thesis) maximum of 6 hours.
- If a minor is elected, see Graduate School Handbook (http://handbook.unc.edu/preface.html)

List the courses you expect to use to meet the MS requirements. Include Section Number for COMP 790 and COMP 990-993 courses. Do NOT list research team meeting seminars. Indicate courses used to satisfy the distribution requirement with a mark in the DR column.

A = Applications

S = Systems & Hardware

T = Theory & Formal Thinking
